Comparisons	Use these measures to compare this loan with other loans.		
In 5 Years	\$164,829 \$17,121	Total you will have paid in principal, interest, mortgage insurance, and loan costs. Principal you will have paid off.	
Annual Percentage Rate (APR)	8.24%	Your costs over the loan term expressed as a rate. This is not your interest rate.	
Total Interest Percentage (TIP)	170.204%	The total amount of interest that you will pay over the loan term as a percentage of your loan amount.	

Other Considerations

Appraisal

We may order an appraisal to determine the property's value and charge you for this appraisal. We will promptly give you a copy of any appraisal, even if your loan does not close. You can pay for an additional appraisal for your own use at your own cost.

Assumption

If you sell or transfer this property to another person, we

 \Box will allow, under certain conditions, this person to assume this loan on the original terms.

☑ will not allow assumption of this loan on the original terms.

Late Payment

If your payment is more than 15 days late, we will charge a late fee of 5 percent of the the overdue payment of principal and interest. However, this charge will not be greater than \$50.00.

Liability after

Foreclosure

Taking this loan could end any state law protection you may currently have against liability for unpaid debt if your lender forecloses on your home. If you lose this protection, you may have to pay any debt remaining even after foreclosure. You may want to consult a lawyer for more information.

Refinance

Refinancing this loan will depend on your future financial situation, the property value, and market conditions. You may not be able to refinance this loan.

Servicing

🗷 to service your loan. If so, you will make your payments to us.

 \square to transfer servicing of your loan.

Confirm Receipt

By signing, you are only confirming that you have received this form. You do not have to accept this loan because you have signed or received this form.
